

# Frost & Sullivan Celebrates Asia-Pacific's Best ICT Firms at the 2016 ICT Awards

**Singapore, June 16, 2016** – Frost & Sullivan yesterday honored top ICT firms in Asia Pacific at its 13<sup>th</sup> annual ICT Awards ceremony at Equinox Restaurant, Swissotel the Stamford in Singapore.

Telstra, PCCW Media, Orange Business Services, ChungHwa Telecom, Telkomsel, Penta Security, Arkadin, Amdocs, Symantec, Huawei and Broadsoft were amongst the companies recognized.

Mr. Andrew Milroy, Senior Vice President, Digital Transformation, Asia Pacific at Frost & Sullivan said the ICT awards seek to recognize best practices and outstanding performance by technology firms in Asia Pacific.

“We are excited to host the annual awards for the 13<sup>th</sup> time and will continue to host them in the years to come as these awards play an important role in recognizing best practices by ICT firms in Asia Pacific. We hope that this recognition will help ICT firms to continue to push the boundaries of excellence,” he added.

The contenders for the Frost & Sullivan Asia-Pacific ICT Awards were evaluated on a variety of actual market performance indicators which include revenue growth, market share and growth in market share, leadership in product innovation, breadth of products and solutions, major customer acquisitions, and business and market strategy, amongst other category-specific criteria.

A team of 30 leading Frost & Sullivan analysts and consultants based in Asia-Pacific were involved in the shortlisting, evaluation and research process, applying the same thorough approach that has been the hallmark of Frost & Sullivan globally.

The findings of the detailed examination are then presented to a panel of independent judges comprising influential personalities, decision makers and thought leaders in Asia-Pacific's ICT industry, who have in themselves pushed the boundaries of innovation and corporate excellence, in deciding the recipients in each award category.
